

VINESH PATEL

1018 Burnside Lane NW. Atlanta, GA 30318 | Vineshpatel1@yahoo.com | (318) 334-5695

OBJECTIVE

A highly motivated and detail-oriented Supply Chain Analyst with 3 years of experience in warehouse and distribution operations. Seeking a challenging position in a dynamic organization where I can utilize my skills in data analysis, process improvement, and inventory management to drive cost savings, increase efficiency, and improve customer satisfaction.

PROFESSIONAL EXPERIENCE

Graphic Packaging International – HQ

Atlanta, GA

Supply Chain Analyst II

May 2022 – Present

- Negotiated contracts with suppliers and vendors.
- Reduced transportation costs by 35% with enhanced distribution capacity and speed to local customers
- Conducted regular audits of warehouse operations to ensure compliance with company policies and procedures.
- Implemented WMS software with SAP to improve accuracy of inventory records and increase efficiency of warehouse operations.
- Coordinated with cross-functional teams, such as procurement, finance, operations, IT, and customer service, to resolve issues and ensure smooth operations.
- Conducted data analysis to identify inefficiencies in warehouse and distribution operations, identified process improvement opportunities, and made recommendations for process improvement which were then implemented to improve service levels and reduce operational costs.

Wagner Logistics

Monroe, LA

Sort Manager

March 2020 – May 2022

- Decreased quality backlog from 23M cartons to 800K cartons in 6 months
- Created more usable inventory to be shipped before product aged out saving company on disposal costs
- Increased sorting personnel productivity from 687 to 1,054 cartons per hour
- Reduced cost per carton to sort from \$0.05 to \$0.03 (60% reduction)
- Planned, organized, staffed, directed, and controlled day-to-day operations of sort team
- Communicated delays or issues while prioritizing work to prevent service failure.
- Ensured daily visual inspections of loads to ensure proper quality for customers.
- Ensured that safety, quality, cost, and productivity goals were met.
- Planned sort strategy based on projected volume, head count, and other factors

Graphic Packaging International – Plant 8011

Monroe, LA

Logistics Coordinator

June 2019 – March 2020

- Developed and maintained positive co-worker relations
- Assisted with inventory tracking and controlled task pre and post order processing.
- Analyzed and resolved work problems, or assisted employees in solving work problems
- Communicated all emergencies, delays due to weather and carrier schedule changes to customers and supervisors.
- Developed processes and means to monitor and improved the day-to-day operations within operations departments.
- Supervised the operations team of ~20 employees and oversaw running operational process improvement projects and initiatives.

Graphic Packaging International – Plant 70

West Monroe, LA

Continuous Improvement Technician

September 2018 – June 2019

- Audited product to specifications using CTQ, RTQ, ei3, and SAP data.
- Communicated plant quality issues on a daily basis.
- Documented quality issues with supplier's product on the production floor.
- Responded to production request for additional information on quality issues with analyzed data.
